WE MANUFACTURE DRILLS LEFT RIGHT AND CENTRE !

We introduce ourselves as a leading manufacturer of HSS Twist Drills. We manufacture LEFT, RIGHT hand cutting and CENTRE drills.

We are located near Bangalore and have the requisite machinery and expertise. Our personnel have 3 decades of experience in drill making.

We export our products to USA, Brasil and UK. We have a very satisfied clientele in these countries. Our customers in India include Hindustan Aeronautics, Grasim Industries, JK Tyres, Greaves Cotton, Honda and so on, just to name a few.

Our strengths lie in our ability to provide our customers with very high quality products at reasonable prices and prompt deliveries. Now that you have the 'HOLE' picture, we look forward to fulfilling your needs for drills.

OUR PRODUCT RANGE INCLUDES –

- **COBALT DRILLS**
- **QUICK SPIRAL DRILLS**
- **STEP DRILLS**
- **TiN and TiAlN Coated Drills**
- **SPECIAL DRILLS FOR SPECIFIC APPLICATIONS**
